

Bright Threads Ministries

Weaving people of all abilities
Into the fabric of congregations

Each person
is a Bright Thread
created in God's Image.
Bright Threads Ministries
supports families and
churches by drawing
people from the margins
into the beautiful,
surprising pattern that
God is weaving with
all of us!

Each congregation
can do something
to be more welcom-
ing and inclusive.
Bright Threads
Ministries coaches
leaders – taking
steps which fit the
pattern of your
congregational life.

How can Bright Threads Ministries help?

- ◆ We meet with church leaders to understand current relationships and practices.
- ◆ We help select a starting point for ministry with families with special needs.
- ◆ We train leaders.
- ◆ We help choose resources.

Which starting point fits your church?

- ◆ **Learning:** Children, adolescents, and adults have different needs. Bright Threads Ministries assesses and supports appropriate education settings and assists with curriculum adaptations.
- ◆ **Worship:** Worship practices can be strengthened for people of all abilities. All can experience God's presence and participate in the worship of the Body of Christ.
- ◆ **Service:** Bright Threads Ministries provides models for friends as partners in service and fellowship. Each person's interests and gifts can be discovered, creating opportunities to serve in Jesus' name.
